- Letter from Maintenance Supervisor:

Tenants Jason will be coming around with other maintenance to complete the annual inspection repairs soon. Maintenance has been busy on vacant units lately along with the yards. Please be helpful and keep your flowerbeds and your yard ornaments-lights free from weeds or move them away from the grass so they can mow around all the units. This will help our maintenance in a timely manner. They have a lot to mow and manage.

- Remember yard of the month. We will be awarding this each month.

Commodities will be delivered to those that qualify on August 9th after 11:00.
